## FEATURE FILM

PRODUCTION (ROLE)	COMPANY	PROJECT DETAILS
PILGRIMAGE - Director	Savage Productions/IFB/Wrong Men	<p>"Brendan Muldowney, the director, and Jamie Hannigan, the screenwriter, keep something happening in each scene; the pace is swift, except for shots of misty hills and shadowy forests that are lingered over as the ominous score moans." (New York Times)</p> <p>"Pilgrimage" is often gorgeous, multilingual, pulpily grim and touched by fantasy." (The Wrap)</p> <p>"Pilgrimage" is a gorgeously shot film that carefully renders the details of this fascinating historical period." (Los Angeles Times)</p> <p>"Brendan...tees up the subsequent moral dilemmas and fights-to-the-death with a combination of emotional intelligence and gory glee." (Flavorwire)</p>
LOVE ETERNAL - Writer & Director	Fastnet Films/IFB/Red Lion/Rinkel Film	<p>"A beguiling and deftly enigmatic tale of dark and haunted love ..." (Screen International)</p> <p>"...a blackly comic tragedy and macabre melodrama rolled into one." (Hollywood Reporter)</p> <p>"Muldowney hits all the right marks – gloomy, deadpan and endearing – with this complex tale of a man who finds reason to live (and love) after flirting with death one too many times." (Indiewire)</p>
SAVAGE - Writer & Director	SP Films/Irish Film Board	<p>".... a bona fide must-see." (The Sunday Independent)</p> <p>"Here's an Irish film with that rare thing: a touch of class." (The Sunday Tribune)</p> <p>"Brendan Muldowney's bracing debut feature, Savage, confronts the ugliness of the rage within us ..." (The Sunday Times)</p>
