

# Elliot Warren

## Writer

Represented by:

Jessica Stewart

Elliot Warren is a writer, director and actor. His debut play, *Flesh and Bone*, won the Olivier Award for Outstanding Achievement In An Affiliate Theatre in 2019. During its run, it also picked up a Fringe First for 'Outstanding New Writing' and won the Best Theatre award at the Adelaide Fringe Festival. Elliot wrote an episode on the final season of Netflix's *Top Boy*, also serving as script consultant on the entire series. His pilot script *Bad Manor* was on the Brit List in 2020 and he is currently in development with Kudos, DNA and HillBilly. Elliot is currently working on a TV show produced by Gaumont called 'X' and his short film 'Hard Times' was on the festival circuit in 2023. He has projects in development with Kudos, DNA, HillBilly, Water & Power, Bonafide, and Conker Pictures.
