

# Rachel Anthony

## Writer

Rachel Anthony writes across a wide range of TV genres: from romantic thrillers to comic horrors; cops and docs to techies and vampires. Her credits include *Cobra* (Sky), *Bodies* (BBC), *Being Human* (BBC), *Stan Lee's Lucky Man* (Sky One) — and *Mistresses* (BBC), a show she wrote and co-created, which has been remade in the US (twice!), Russia, Slovakia, South Korea and Japan. She started her career at *EastEnders* where she wrote the ratings-busting *Who Shot Ian Beale?* episode, watched by 19 million viewers. She was born in Cardiff and grew up in South Wales and South London; she speaks fluent French and Italian.
